To Whom It May Concern,

The material referenced above has been reviewed by an Advertising Review Analyst with over 15 years of advertising review experience who holds a Series 24 General Securities Principal license. We review this material in accordance with FINRA Rule 2210, SEC Rules 134, 135A, 156, and 482 and applicable FINRA Review Letters and No Action letters. The review looked for words, sentences, and concepts that trigger red flags and/or disclosure requirements that are not compliant with the SEC and FINRA Advertising and Public Communications Requirements. This material does appear to be consistent with applicable standards.
